## COLOR WORLD EXPO: A BRIEF INTRODUCTION

The Color World Expo is a premier exhibition dedicated to the textile processing industry. The expo revolves around innovation, sustainability, and compliance within the dyes and chemical industry. As the industry faces increasing demands for environmentally friendly practices and advanced technological solutions, this expo offers the perfect platform for showcasing innovative products and services.

Color World Expo is scheduled from May 3-5, 2025, at the Surat International Exhibition and Convention Centre (SIECC) Surat, Gujarat. It brings together key players, innovators, and experts from various sectors, including dyes, pigments, basic chemicals, inks, compliance, specialty chemicals, auxiliaries & additives, intermediates, lab equipment, and design software.

The Color World Expo promises a vibrant and insightful platform for industry professionals to explore the latest advancements, share knowledge, and forge valuable connections.

## WHY TO EXHIBIT

- Showcase Innovations
- Network With Industry Leaders
